The product is certified according to ISO/IEC Guide 17067, *Conformity assessment – Fundamentals of product certification, System 3*, and in accordance with **Standard for Electrical Equipment for Laboratory Use; Part 1: General Requirements, UL 61010-1 2nd Ed., Rev., July 22, 2005**

This certificate is valid until 10 September 2018 unless the standard in question has been amended or superseded with significant changes in requirements, in which case, SGS has the right to shorten the validity of the certificate based on the legislation. This certificate includes the right to use the **SGS Product Certification Mark** under the condition that changes (if any) will be checked at SGS before the product is brought onto market and that the conditions for the **SGS USTC Certification Program** are met.
